"I am a self-taught developer specializing in Typescript, React, and Redux. I have learned through building and deploying apps, pushing to GitHub, and getting peer code reviews on LinkedIn. Take your time, check my resume, see my skills, my work, my experience, and if you interest just send me a message. Thank you! "

### SKILLS

- **Languages:** HTML5, CSS3, SASS, Pug, Javascript & Typescript, bash shell.
  - **Framework & Platforms:** JQuery, Bootstrap, ReactJs, Redux, ExpressJs, Nodejs.
